

Step-by-Step with Modern Masters

HOLIDAY | Fall Gratitude Sign

Create a joyful display of thankfulness and appreciation with the Fall Gratitude Sign - but it will work as a wonderful reminder of 'giving thanks' all year round. The sweet sign was created by Mary Childs of Focal Points, Inc.

PRODUCTS NEEDED

- Modern Masters [Copper Metallic Paint](#)
- Modern Masters [Black Glazing Cream Color](#)

SUPPLIES NEEDED

- Wood Cut - find at your local craft store
- Transfer Paper
- 'Give Thanks' [Printed Lettering Template](#)
- Pencil and Tape
- Small Artist Brushes and 1" Brush
- Hot Glue Gun and Glue Sticks
- Feathers and Floral Spray Accessories

Step-by-Step with Modern Masters

HOLIDAY | Fall Gratitude Sign

STEP 1: Brush a layer of acrylic bonding primer onto the wood and let dry. Brush on 2 - 3 layers of Copper Metallic Paint until fully opaque, allowing each layer to dry.

STEP 2: Tape the transfer paper (dark side down) to the wood cut. Place the Give Thanks image (face up) on top of the transfer paper and tape to the wood cut. The [gorgeous lettering template](#) is by the Jenna Sue Design Co.

STEP 3: Use a pencil to trace the lettering and remove both when you are done tracing. Use the Black Glazing Cream Color and a small 1/8" artist brush to paint in the letters and details. You can also use a wide tip black marker to draw in the letters to make it easier.

STEP 4: Decide on the best arrangement of your feathers and floral spray on the back of the woodcut. Attach these to the back with the hot glue gun, ensuring they are attached well. Let dry thoroughly.

You are done!
