HOLIDAY | Thanksgiving Tablescape

STEP 1: Paint a variety of pumpkins and antlers with several colors of Metallic Paints, using 2 to 3 coats. Let dry.

STEP 2: On the stems of chosen pumpkins, brush on one heavy coat of Antique Bronze and do not let it dry. Sprinkle on a generous dusting of glitter. Let dry.

STEP 3: Style your table with objects from your home and garden, like imitation hydrangeas, fresh flowers, tea lights, and candlesticks.

STEP 4: Using a piece of double stick tape, adhere a letter to each jar. Add pretty flowers and line the jars up on a mantle or shelf.

You are done!
