Modern Masters' Platinum Series Wall Glazing Cream is a water base, slow-drying, translucent glaze, formulated for maximum "working time" with excellent durability.

The advanced acrylic technology of **Wall Glazing Cream** allows for a sheerer application, designed to reduce the amount of glaze required for most applications while providing more fluid patterns and advanced effects to please the most discerning decorative artisan. For best results apply the **Wall Glazing Cream** over a **Platinum Series Zero VOC Basecoat** color.

The **Platinum Series Wall Glazing Cream** is tintable with the **Platinum Series Glazing Cream Colors**.

For more information contact your local **Modern Masters Platinum Training Center**.

PROTECTION: Do not clean an unprotected glazed surface with harsh chemicals. Surfaces that will be handled should be protected with two coats of **Modern Masters' Dead Flat** or **Satin Varnish** for interior surfaces and **Exterior Dead Flat Varnish** for exterior surfaces. Follow the instructions on the container label.

COVERAGE: Approx. 150-200 sq. ft/qt. (14-18m²/946 ml).

DRY TIME: The colored glaze will dry to an eggshell sheen in approx. 3 hours and fully cure in 36 hours.

CLEAN UP: Clean tools, brushes and equipment with warm, soapy water immediately. Promptly wipe up spills and splatters with a damp cloth.

VOC: Contains less than 833 grams/liter.

HANDLING & STORAGE: When not in use, close container and store at room temperature. Protect product from freezing or extreme heat. Do not reuse this container and dispose of empty container properly.

HEALTH & SAFETY: Use in a well ventilated area. Avoid contact with eyes. Wash hands after use. Do not take internally. When spraying or sanding use NIOSH approved respirator. **CONTAINS NO HAZARDOUS AIR POLLUTANTS.**

KEEP OUT OF REACH OF CHILDREN

WARRANTY: This product will perform as claimed if directions that were given during the Platinum Training Class are followed. These directions are as complete as possible, but cannot encompass all conditions, applications, techniques and/or surfaces, which are beyond our control. Warranty is limited to replacement or refund value of product actually used, if such product proves defective within two years of manufacture. No other warranty is expressed or implied.
